

# SEASIDE BATH

A LIBERAL BUT FAR MORE FORMALIZED BEACH CULTURE WAS THE AIM OF THE 1972 SEASIDE BATH PROPOSED BY ARNE JACOBSEN'S SUCCESSORS, THE ARCHITECTS DISSING + WEITLING.

THE PROJECT WOULD HAVE CONVERTED BELLEVUE INTO A YEAR ROUND INDOOR BEACH PARADISE, AND WAS TO REPLACE THE EXISTING TURN OF THE CENTURY BEACH HOTEL. THE HOTEL WAS TORN DOWN - FAREWELL TO THE LAST BASTION OF FORMER BOURGEOISIE CULTURE, THE INDOOR BEACH PARADISE WAS HOWEVER NEVER REALIZED.

AFFORDABLE CHARTER TRIPS TO FAR OFF PLACES GAVE THE GENERAL PUBLIC YEAR ROUND ACCESS TO NATURAL BEACHES IN WARM CLIMATES.
